WE ENJOYED READING the letter from Mr. and Mrs. Corwin Olds (last week's issue). On their arrival home we plan on asking Campbell's world traveler about a trip to Sicily. Maybe he would consent to take along a companion.

WE MET REV. Ed. Cunningham in the Post Office the other day. While discussing Reverend Olds' trip and our plan to sponge a trip to Europe, he told us that he (Cunningham) could have used our services while in Italy a couple of years ago. Oh well, at least we are on the list for his next trip.

ALMOST SINCE THE opening the Campbell Post Office front doors have been only half opened in the morning. Since the first day Robert Devine, local insurance man, has taken the time to open the other half. Bob asked us why the guy that opens the place doesn't complete the job... all we can say is that it sure helps to have both doors open. It's bad enough to figure out the egress and ingress system to the parking lot. And when only one door is open a small traffic jam develops at the door. Nice work Bob. We suggest that maybe Uncle Sam should sell a few five cent stamps for four cents to Bob for his services.

OUR INTEREST IS not easily aroused when it comes to antique items. But we notice a table in the back end of the Royal Coachman Mens Store (in the Campbell Plaza). We had to ask Jerry Wegner about it. The thing looked so heavy and interesting. He informed us that he purchased it at an auction held in Atherton. He was told that the table belonged to Leland Stanford at one time. For curiosity's sake we attempted to lift one end of it. Too heavy. Then Jerry tells us that his wife picked up one end while he and another fellow were on the opposite end to load it on a truck. To look at Mrs. Wegner we can't believe it.

THIS WEEK WE ARE publishing a letter from Randy Chicoine. This is the second article received from a high school student. The other was by Beth Weslow on the death of President John Kennedy. It is gratifying to us to see that these students are taking interest in the community. We welcome them.

EACH TIME AN organization to which we belong sought a publicity chairman, we were chosen. We became just a little tired of it. But during the election of officers at the recent Board of Directors meeting of the Campbell Chamber of Commerce, two men were nominated for the office of Treasurer, Art Mayo and Oscar Sorenson. They are both bankers. We guess that this must

Chamber of Commerce to hold installation Jan. 23

The Campbell Chamber of Commerce Board of Directors have elected John T. Dawson, local attorney, as its President for 1964. At the same time it also elected Ron Tharp, IBM Personnel Director, Vice President, and Oscar Sorenson, Manager of the Hamilton Plaza Branch of Bank of America, Treasurer. New Board members to be seated include Charles De La Roche, coowner of Winchester Hardware, Ira Kirkorian, Builder; R. H. Schleeter, Proprietor of Rip's Drive-In, and Joseph Anello, Publisher of the Campbell Press.

JOHN T. DAWSON
President

RON THARP
Vice President

OSCAR SORENSON
Treasurer

Retiring members of the Board are William Ziegler, President; A.S. Bonaccorso, treasurer and I. Chiaramonte and James O'Brien. The new members will be officially installed at the annual Installation Dinner to be held at Villa Felice on Thursday, January 23. Program chairman for the gala event will be Ron Tharp, assisted by committee members Jack Dawson and Art Mayo. Tharp urges everyone to secure tickets now. Reservations may be made by calling the Chamber office, 378-6252. Indications are that it will be the largest crowd ever.

Many reports of damage to parked cars

Numerous reports of smashed windshields and broken windows in parked automobiles were made to the Campbell Police Department over the weekend. Seven separate incidents of malicious mischief were reported. Mrs. Harriet Aspden, 167 E. Rincon Ave., awakened Sunday morning to find the windshield and two windows of her 1949 Dodge broken. Mrs. Aspden, who has been unable to work for the past month due to illness, reports she can ill afford to pay for the damage to her car.

Other reports of similar damage were made to the Police by Willard Lampkin, 154 Sunnyside, Robert L. Viles, 86 So. Second St., Shirley J. Pfau, 1140 Dell Avenue, Kenneth D. Vaughn, 1035 W. Latimer and John B. Weiss, 214 Budd Avenue.

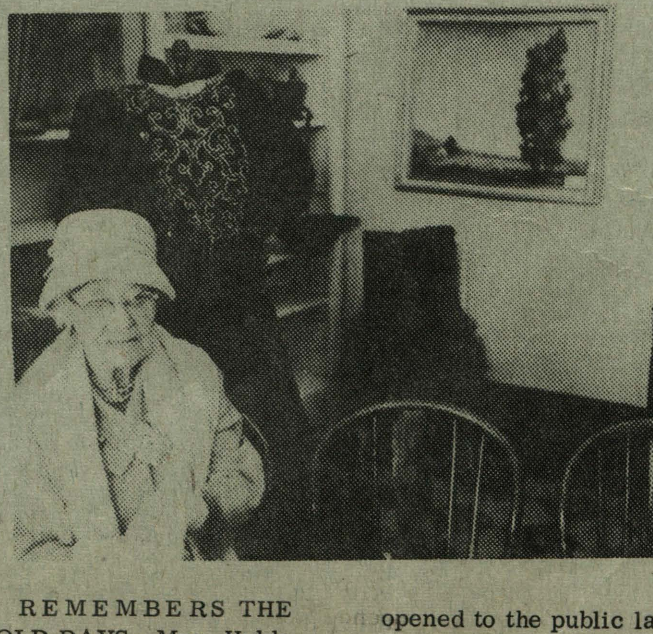
Ernest Grebnau, manager of an apartment house at 1845 So. Bascom Avenue, reported that four vehicles belonging to residents of the apartment had their tires slashed and the convertible top to one vehicle was cut. Police are investigating the reports.

City to go ahead with Virginia Park

With the support of Rotary Club in the amount of $1,000 and physical labor, the Campbell City Council agreed to allocate $2500 for the development of a children's park site at Virginia Park. Details of the project have already been worked out by the City Engineer and members of Rotary Club. Ground breaking will start immediately, weather permitting, and Rotary hopes to have the job completed by May 1st.

Peterson Bros. low bidder for McGlincey L. I. D.

The low bid of $106,874.20 by Peterson Bros. of Campbell was accepted by the City Council for Local Improvement District No. 4, McGlincey Lane. Consulting Engineer Gene Mastin reported the improvements would include curbs and gutters on the entire portion of McGlincey and part of Union Avenue. Storm sewers will be installed and the paving widened to a 40 foot traffic way.



REMEMBERS THE OLD DAYS--Mrs. Hulda Collins, 223 No. Third St., visited the new Campbell Museum and Cultural Center which opened to the public last Sunday afternoon. Mrs. Collins attended the second Old Settlers Celebration in 1894.

Shell Oil Co. still caught in the middle

Shell Oil Company, which seeks to improve its service station located at Winchester Boulevard and Campbell Avenue, came up with a "new deal" at the Campbell City Council meeting Monday night. William Foley, attorney representing the Oil Company, said Shell has a new option from property owner Karl Bohnett to purchase only that portion of property on the corner necessary to improve their station. Previously, Shell had an option to purchase the whole parcel of property which contains Spivey's Restaurant.

City Attorney Joseph A. Bonacina and Councilman Henry Weitzel pointed out that in order for the purchase to be consummated Bohnett must apply for a minor subdivision. The property has been assessed in one parcel and in order to split it into two lots, certain conditions must be complied with. In the past, Bohnett was granted a building permit for Spivey's Restaurant and the dedication of a strip of property for future widening of Winchester Boulevard was never complied with.

The Council denied Shell's appeal without prejudice in order that they may return to the Planning Commission with their new proposal.

Budget SNAFU once again!

The Campbell City Council has decided to have a "study session" to work out the problems in the City Budget. Mayor Peter Lico advised the Council to "clean up this mess" before the arrival of the new City Manager on February 10. Funds to complete the Smith Avenue bridge were accidently left out of the budget, according to City Engineer Myron Hawk.

A session to "rob Peter to pay Paul" is slated for next week. Dorothy Trevethan, City Clerk, advised the Council that "expenditures are more than income." The Mayor called the session "readjusting the budget."

WVJC must pay $48,000 rent for school

The Campbell Union School District Board of Trustees offered to rent the Campbell Grammar School to the West Valley Junior College District for $48,000 per year. This action was taken at the request of the College District and following appraisal and approval of the State Department of Finance. Should the West Valley Junior College District decide to accept this figure, the administration of Campbell Union School District was authorized to work with them in drawing up a lease to be submitted for subsequent board approval.

WALLS DAMAGED

Small juveniles are apparently responsible for defacing the new home recently purchased by Marvin McNutt at 1124 Linda Drive.

Railway Avenue cleanup target

Railway Avenue, which for years has been a slum area in Campbell, is the target for a new cleanup campaign, according to Councilman Edward Rogers, and other members of the Campbell City Council. Property owner L.R. Trammel, 907 So. 10th St., San Jose, appealed to the Council for additional time to remove 6 units that have been condemned by the City as "dangerous" and "below code."

Trammell said "90 days is not enough time. The old people who live in these houses have to find some place to go." Trammell also indicated he needed an extension of time to tear down each unit one at a time so that he doesn't lose all of his rental income at once. The Council was sympathetic but did not grant an extension. City Attorney Joseph Bonacina said "The Council can't blow hot and cold or the whole program will bog down." Trammell reported that one building inspector said "he would resign before he would throw people out."

Joseph Anello, owner of condemned property at 98 Railway Avenue, called the city's action on Railway "unfair" when they allow new businesses to move into residences existing in the area. For the past month a "Chick Sales" business has been in operation on Railway Avenue in a private residence.

SCIENTIFIC MEETING

Drs. Roger L. Kisner and John W. Ziegler of Campbell are expected to be among some 1,500 dentists and dental hygienists planning to attend the 68th annual scientific meeting of the University of California Dental Alumni Association.

FIRST ISSUE--Mrs. Edna F. Smith of Campbell views the first issue of the Campbell Press in 1895 (formerly the Campbell Visitor) on display at the new Campbell Museum and Cultural Center. Mrs. Smith and her husband were publishers of the Campbell Press from 1912 to 1945.

Editorial

A left footed start

In our opinion, most editorials are not written to add to the popularity of the writer. We think this column should be used to express our own personal opinions and observations. And our readers are offered the same opportunity in the column "Letters to the Editor."

We feel forced to publish this editorial at this time, because to delay could invite other "between lines" conotations.

Our objections are sincere, we mention them because we have a deep feeling about them. Agree or disagree, we are interested in your opinions.

The City Council appointed a City Manager last week. As of this time we have not met Mr. Robert Stephens. Therefore, it goes without saying we have no comment to make on the choice. However, we cannot understand the reasoning used by the Council in hiring a replacement at this time, in view of the fact that City Council elections will be held in April. At this time, three of the five Council members must either run for re-election or possibly "drop out". There is a possibility of three new members being elected to the Council in April. One Councilman, Mayor Peter Lico, has stated that he will not seek reelection. Councilmen Ed Rogers and Henry Weitzel have not stated their intentions. However, it is our personal guess that both will choose to seek another term. Nevertheless, the fact remains that by the Council's actions, there is a possibility a City Manages was chosen who may have to work with a majority who had nothing to do with the choice.

It has been announced that the City Manager will "take over" on February 10. The elections will be held on April 14. This will give the "team" two months to work together before the possibility of "substitutions". In our opinion this is not a fair deal for the new City Manager and not a fair deal for the people of Campbell. We fail to see why the appointment could not be postponed to allow the new Council to choose the City Manager with whom it must work with. We believe that this is asking a great deal of a man (City Manager).

Letters to the Editor

Joseph Anello, Editor

Mr. Editor:

There has been considerable talk lately at the City Council meetings of building a Pony League Park on Rincon Avenue. Notice I said talk. But the $1500 asked has been found by the Council to be too expensive, after all, says our Mayor, "Campbell doesn't need a 'Cadillac field'." Yet strangely enough, last year Campbell paid over $7000 to have blueprints drawn up for a Corporation Yard. And after these costly plans were examined, Campbell dropped the idea and the Yard never came into existence. Seven thousand dollars of the taxpayers money down the drain. That seven thousand dollars could have built five parks!

Campbell has a habit of making plans but not fulfilling them. And worst yet, anything that Campbell does do, it does wrong. Take Salice Way, with that terrible curve in the middle of it. Or better yet, take Hamilton Avenue, that beautiful four-lane street with a magnificent boulevard dividing it. Two blocks down, dead end!

Now I'm proud of my town. I've lived here for seven years. But I'm not so sure of the way it handles things. About once a year The Campbell Press prints a picture of what Campbell will look like in 1970. It is impossible to describe how wonderful and modern the scene looks with gently swaying palm trees and the neoteric buildings. We all gaze anxiously into the future and wait patiently for that dream year to come around. But we're all wasting our time and eyes because Campbell will still look like it does today if our Council 'wastes' every Monday evening quarreling and squabbling about tearing down a tree or getting our name on a sign on the freeway. These things are not unimportant or useless but they need not be discussed for such a period of time.

We must stand up together--and with the same purpose in mind. Such discord and conflict in our government will get us nowhere in no time at all! I am though, as I said before, quite proud of little Campbell. It has done rather a good job of surviving while surrounded by the ever-enlargening San Jose and Santa Clara without becoming a subset of them. But we too must grow!

BIG MONTH

December was the biggest month of the year at the Los Gatos Community Hospital in two separate categories, reports Administrator Robert P. Hannum.

Of the year's 806 births, 116 came during the final month at the general hospital located at 815 Pollard Rd.

The facility also handled 360 emergency treatments during December, also another high, Hannum said.

REPRESENTATIVE IN CONGRESS
TENTH DISTRICT, CALIFORNIA

In recent months the American public has been fed a consistent diet of journalistic ridicule of a basic American institution, the Congress of the United States. As a member of Congress who knows the frustrations, tensions, and hard work of making intelligent decisions on important national policy and at the same time being available any hour of the day or night to solve the problems of more than a half million constituents, I think it is time somebody told the other side of the story.

Though the dismal record of this Congress deserves lampooning, no columnist has yet put his finger on what I believe is the real cause of the recent legislative stalemate. Instead, the consensus which is most frequently in print is that "because Congress failed to act on much of the President's program, it is archaic and needs drastic overhaul".

Since 1953 we have had just two years when both the White House and Congress were controlled by Republicans. We have had six divided years with a Republican President and a Democratic Congress and three years of exclusive Democratic stewardship. And it was this latter period which provided the ammunition columnists have used to sour the American public on Congress.

In our two-party system the voters designate a majority party and mandate it to lead. With the mandate go the tools of leadership--a clear-cut majority on every committee and the absolute power of every committee chairmanship. Today's Democratic Party has these tools to use as its leaders determine; yet the result is stalemate. Why?

Of the 435 Members of the House, almost exactly 25% (106) come from the eleven states which were the Confederate South. Ninety-five of them are Democrats and only eleven are Republicans. For the rest of the nation, Republicans outnumber Democrats 167 to 162 in a fairly even split. So it is the solid South with its nine-to-one advantage which gives the Democratic Party majority status and its leadership mandate.

In the one-party South, re-election is a simple process for Democrats. As a result they have survived to acquire the seniority which has led them to the chairmanship of most important committees and the power to stimy legislation they don't like. Even when it is proposed by a Democratic President, ironically the one-party South provides the numbers which insure leadership to the Democratic Party and also provides the ingredients of stalemate.

There are three answers which would insure consideration of a President's program. One is to change the rules so that all bills are voted on in spite of committee chairmen. This sounds good but those who understand the legislative process know it would substitute chaos for stalemate. Another answer is for the Democratic leaders to exert intra-party discipline by using their power to replace balky southern chairmen. For reasons of their own they don't. So, the only real remedy is to establish a two-party system in the South. With real opposition and the chance of defeat, the modus operandi of southern Democrats would have to change. No longer could they have their "corn pone" and eat it too.

There is nothing wrong with Congress that a good two-party system won't cure!

SOCIAL SECURITY

Questions and Answers

By Gladstone A. Boquist
Field Representative

Q.-I failed to secure the social security number from one of my employees. Is it possible for your accounting office to add the social security number if I submit my report and pay the tax, since this man no longer works for me?

A.-No. Because of the fact that thousands of workers have the same name, it is impossible to identify a person's account by name only. You should submit your report on time, then attempt to secure the employee's social security number, as our accounting division will send a request for this number within a few months. You will receive such a request for each report period an employee's number is missing, even though it might be the same employee.

Q.-I operate a small business and pay my wife a salary for the time she spends working for me. Am I supposed to pay social security tax on these wages?

A.-No. Work done by a wife for her husband, or by a husband for his wife, is not covered by social security.

Q.-I will be age 62 this fall and will apply for social security benefits. I was told that my benefit would be reduced by taking it at age 62. Will the reduced benefit remain the same for life, or will I get my full benefit at age 65?

A.-If you do not return to work, your benefit payment will always remain the same. If you should return to work and your social security payment is stopped because of your work, your benefit will be automatically re-figured at age 65, and this may result in an increased benefit.

Paintings on exhibit at local bank

Original paintings by members of the California Professional Artists are being shown this month at the First Valley Bank, Winchester Boulevard and Latimer Avenue. A group showing is offered by this recently organized group, comprised of artists living in the Peninsula area. February has been scheduled for a one-man show by a well known local water colorist, Samuel Cook, 449 No. Harrison Street.

The group has exhibited throughout the Bay Area during the past few months. Artists of national reputation such as Eliot O'Hara and Harold Gretzner are included in this growing organization. The group's representative, Mrs. Gino Bottoni, 5010 Bel Canto Dr., San Jose, reports

Penalty for late unsecured personal property taxes

Taxpayers who are delinquent in paying unsecured personal property taxes are immediately liable to an additional penalty of one-half of one percent per month, acting Santa Clara County Tax Collector Louis A. Lopes announced today.

The new penalty was authorized statewide by the State Legislature during its last session, and approved by Governor Edmund G. "Pat" Brown. The original penalty a flat of eight percent still holds. Delinquent Santa Clara County taxpayers incurred this eight percent levy as of August 31, 1963.

Lopes received a letter from State Attorney General Stanley Mosk January 2 containing a ruling that the added penalty of one-half of one percent per month became effective December 31, 1963. The ruling went simultaneously to all other Tax Collectors in the state.

Lopes cautioned that the new penalty applies only to the delinquencies on unpaid unsecured personal property, and not to the secured category, which includes real estate. Unsecured property consists of fixtures, stock, equipment, furniture for renters, boats, airplanes, and all other items not shown on the secured tax roll.

Student placement service opens here

A student placement service operated through the cooperative efforts of the Youth Employment Service and Campbell High School will open at Campbell High School, Wednesday morning, Jan. 15, according to an announcement made today by Mrs. Margot Savage, manager of the California State Employment Service. The office will be open from 8:30 to 11:30 a.m. every Wednesday.

Mrs. Dorothy McDonald, placement counselor from the State Employment office, will be in charge of the Campbell employment service and will assist students in finding part-time or temporary jobs during the school year as well as permanent jobs after graduation. Students will also be given assistance in making a suitable vocational choice through employment counseling and aptitude tests.

Students will be registered for mother's helper, baby sitter, yard man, sales clerk, stock clerk, office clerk and delivery boy. Mrs. Savage urges anyone in the Campbell area in need of a temporary or part-time employee to contact Mrs. McDonald at 379-4710 on Wednesday mornings. Mrs. Savage pointed out that these students are anxious to work and that no job is too small.

Planners have study session on traffic patterns

A letter to the City Planner from Fred Chez, real estate broker, requesting an early decision on his plea for a change of zone from R-1 to Planned Development on property located at 721 and 741 West Latimer Avenue went unheeded at last Tuesday night's Planning Commission meeting.

Instead, the Commission voted to continue the matter until their meeting of February 18. Planners James Tomlinson and Thayer Lyons agreed that the matter of the two intersections at Hamilton and Campbell Avenue was of "such great importance" that we should have a detailed study before we allow anything to go upon this property."

FADE-FREE ALUMINUM BUILDINGS... IN BLACK, GRAY OR COLORS?

Only a few years ago, the use of new and dramatic anodized colors in aluminum curtain walls and other building components was virtually prohibited because of sun-fading.

But today, for striking new building designs such as Houston's 33-story Tennessee Building (above), architects can confidently specify any of ten rich colors ranging from black to the glowing amber used in the Tennessee Building—Kalcolor® architectural aluminum developed and patented by KAISER ALUMINUM. It is the first anodic finish in a range of colors for architectural aluminum whose colors are proved sunfast in actual commercial use.

The revolutionary Kalcolor process was developed and perfected by following the two basic steps our corporation takes to serve its customers: First, find a need—in this case, the need expressed by many architects for truly sunfast colors in architectural aluminum.

Second, fill it—we began with an idea for an electrochemical process which would achieve color on the surface of the metal without the use of dyes, we lab-tested and field-proved it for years before anyone built with it, and we licensed the process worldwide to make the beauty of Kalcolor products available to architects everywhere.

Find a need. Fill it.
With this way of working, KAISER ALUMINUM is contributing more useful product innovations—and giving more customers better service—every day.

Nursery Schools to hold "Open House" next week

The mayor of Campbell, Peter B. Lico, joins with other California communities in proclaiming January 19-25 "Nursery Education Week."

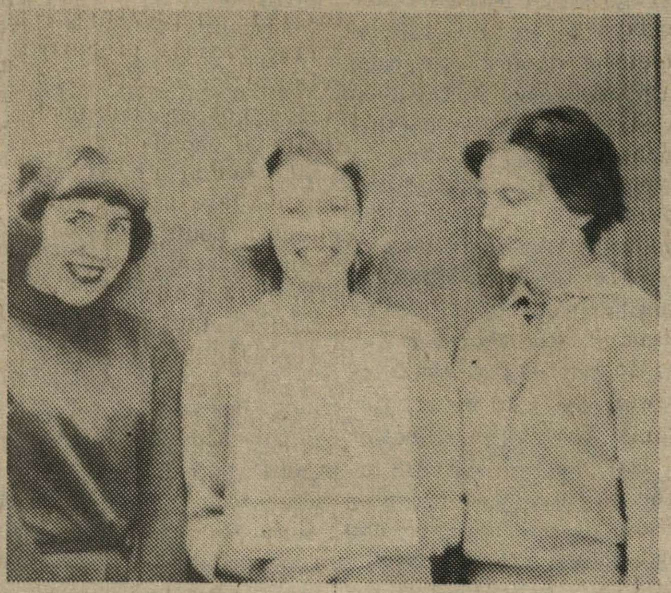
A cordial invitation is extended to all interested parents to visit one of the three nursery schools in operation in this area. Refreshments will be served and participating mothers will be on hand to answer questions. The locations of the schools and the dates of their Open Houses are as follows:

Campbell Parents' Nursery School, Inc., 528 N. Harrison St. Wednesday, January 22, 9:30-11:00 and 1:00 to 2:30 p.m., Thursday, January 23, 9:30-11:00 a.m.

Methodists Parents' Nursery School, 1675 Winchester Blvd., Campbell, Tuesday, January 21, 9:30-11:00 a.m. and Wednesday, January 22, 9:30-11:00.

Congregational Church Nursery School, 400 W. Campbell Avenue, Tuesday, January 21, 9:15-11:15 a.m. January 22, 9:15 to 11:15 a.m.

The mayor's proclamation reads as follows: Whereas, children are the foundation of our community, state and nation, and Whereas, the preschool years are the formative years in a child's development, and Whereas, a good nursery school fosters a healthy happy adjustment during these preschool years, Now, therefore, be it resolved that the week of January 19-25 be proclaimed as "Nursery School Week." In witness whereof I have hereunto set my hand and caused the Seal of the City of Campbell to be affixed this 10th day of January, 1964. Peter Lico, Mayor, City of Campbell, California.



IT'S NURSERY EDUCATION WEEK--January 19 through 25 has been proclaimed Nursery Education Week in California. Special open houses will be held at the three parent-participating nursery schools in Campbell in order to acquaint interested parents with their program. Showing the proclamation are Mrs. Colleen Norbett, of the Methodists Parents' Nursery School; Mrs. Robert Berglund, Campbell Parent's Nursery School and Mrs. Dot Holtz, Congregational Church Nursery School.

OPEN HOUSE--Three Nursery Schools in Campbell are planning "open house" next week to give the public an opportunity to observe the schools in action. Each school is licensed by the California Department of Social Welfare. Children between the ages of 2 1/2 and kindergarten are welcome. Pictured here are mothers and youngsters from the three schools in Campbell; front, clockwise, Mrs. Coleen Norbett, Mrs. Dot Holtz, Karen Berglund, Steve Norbett, Kathlyn Holtz, and Mrs. Mickey Berglund.

Mrs. Blidt is installed Noble Grand

Mrs. Ohthave Blidt was installed as the Noble Grand of Ada Rebekah Lodge No. 223 at recent colorful ceremonies conducted by District Deputy President Marelynne Preston assisted by Miss Ruth Bettinger. The banquet tables were artistically decorated with blue candles and flowers. Co-chairmen for the evening were Mrs. Ernest Farley and Fred Fellman.

Installed with Mrs. Blidt were her officers who will serve during the new year.

They included Mesdames Cal Alford, Vice Grand: Lillian Ohlen, Recording Secretary: Ray Gilpatrick, Financial Secretary: Zadie Rice, Treasurer: Fred Stacker, Warden: Harvey Alford, Conductor: Dubois Rhine, Chaplain: Blanche Tuttle, Musician: William Hughins, Color Bearer: Ernest Farley, R. Mrs. Anna Pankretz, Noble Grand for the past year, was seated as Junior Past Noble Grand.

Police work is challenge; says Mrs. Helen Dreher

A woman with an interesting career is Mrs. Helen Dreher, Police Matron and Clerk in the Campbell Police Department. "Every day is a new challenge," she said when asked if she ever felt depressed with human nature in handling the many cases that cross her desk. "There are times when things work out right and it gives you such a feeling of satisfaction," she pointed out.

Mrs. Dreher, wife, mother, and career woman, has been with the Campbell Police Department for four years. She and Mrs. Virginia Wallace, who has the night time shift, handle the clerical work in the department and meet the public. Occasionally they are called on to accompany a woman prisoner to the County Jail.

She wears a uniform and a badge, of course. Out on the street she usually has on a gay colored sweater to brighten up her uniform. She would just as soon you didn't "kid" her about being a police matron.

Her previous experience as a clerk in the Mountain View-Sunnyvale Municipal Court gave her an invaluable background for her work here in the Campbell Police Department. Prior to that she was a supervisor for the Pacific Telephone Company.

Mrs. Dreher and her husband, Bob, who is employed in the North County's Sheriff Office, have a lot in common in their work, but she says they rarely "talk shop" at home. Instead, their lives revolve around their two sons, Barry, 14 and Eric, 9. Both boys have hobbies which the Drehers encourage. One thing she said they had learned in their police work, was to keep their boys busy and in good company.

"How do you treat women prisoners when you must search them, or accompany them to jail? she was asked. "Well, I never talk down to them", she said. "I try to talk to them on their level, just as I would anybody. They usually want to talk to somebody."

So ladies, if you're thinking of a career, think about the possibilities of police work. It can be exciting and a challenge every day.

Del Alexander named president

The Hazelwood Roundtable of the Hazelwood School in Campbell recently held election of officers. Del Alexander was elected president, Lloyd Gravatt, vice president; Marilyn Bowlsby, secretary, Mrs. Deane Jones, treasurer and Gene Kilgore, auditor.

Serving as committee chairmen are Mesdames Helen Chase, Sally Fedde, Sue Lucas, Jown Tacchini, Katherine Bicocca, Alice McDonald, Faye Teague, Mary Kaye Walker and Gene Kilgore, R. Christman, and Bob Jones.

Dr. Wallace Hall to speak to Campbell PTA

Campbell High School P.T.A. will meet on January 15 at 7:30 p.m. in the School Cafeteria. The guest speaker will be Dr. Wallace W. Hall, president of the West Valley Junior College District.

Also on the program will be a preview of the annual Pops Concerts, to be presented February 7 and 8th. This is a performance given by the Campbell High School Band under the direction of William H. Perkins and sponsored by the P.T.A. All members and parents are invited to attend.

Service Club to present Spring Tea February 5

Plans are formulating for the annual Spring Tea of the Women's Service Club of Campbell to be held this year on Wednesday afternoon, February 5 at 1:30 p.m. Mrs. George Van Sickle is tea chairman and announces the theme of the tea is "Frills and Fancies." The Jewish Ladies Drama Group will present a reading of a popular Broadway hit. Tickets may be obtained by contacting Mrs. Herbert Binley, 378-2586, or any Club member.

Assisting Mrs. Van Sickle with arrangements are Mmes: E.S. Frye, food and trays; Everett Nelson, program; Loren Hardison, serving; Harold Strickland, decorations; C. F. Helmbold, clean-up; Herbert Binley, tickets; and LBen Howard, publicity.

Three year olds may register at Nursery School

The Methodist Parents Nursery School, 1675 Winchester Blvd., Campbell, is accepting registrations for immediate enrollment in the younger group, age 3 by December 1.

The program is for Tuesday and Thursday mornings, 9:00 to 11:30, and is under the expert leadership of Mrs. Jayne Spencer.

A non-profit, nonsectarian cooperative school, the parents are expected to participate a certain number of hours a month. The school has been in operation for 2 years and is affiliated with local, regional, and State Councils of Cooperative Nursery Schools to further preschool education. It is licensed by the State Department of Social Welfare. For further information contact Mrs. William Davy at 252-3200.

St. Lawrence Church to have pot-luck supper

The congregation of St. Lawrence Episcopal Church of Campbell will meet Sunday evening, January 19th at 6:30 P. M. in the Campbell Country Woman's Club for a pot-luck supper followed by the annual business meeting.

On the agenda are the presentation of the budget, the election of vestry members, and announcements regarding the calling of a permanent vicar to St. Lawrence Church.

You Should Buy Your Aspirin Here --Where You Get

DRUGTAX
A SERVICE TO TAXPAYERS

This may come as news to you, but aspirin is one of those drugs that may be of a deductible nature on your federal income tax return.

But to claim it, you must be able to offer proof you bought it.

When you buy it from us, you get that proof. But when you buy it at the corner grocery, or in a department store, or in a restaurant, you are likely to forget about it.

That goes for a lot of other things, too—such as antiseptics, cough and cold preparations, laxatives, and so on.

Our customers like to buy *all* of their drug supplies from us, because they know they will get the benefit of a complete record of all purchases of a deductible nature.

Our customers get an annual statement (mailed in February) which tells them how much they spent on drugs of a deductible nature. It's called a DrugTax record, and we offer it to our customers *free of charge*.

Next time you buy aspirin (or any drug item), be sure you're in a store that gives you a DrugTax record. Come income tax time, it can save you money.

Nice day for a dryer.

But then again, so is *every* day. Because in addition to letting you dry the wash day or night—in any weather—a dryer dries better than anything under the sun. For example, with new damp dry settings, clothes come out just right for ironing. And some things need no ironing at all. Clothes also come out as clean as they went in. No clothesline marks, dust or dirt. Dryers also have a real soft touch. All your laundry comes out light and fluffy.

So far we haven't even mentioned how much work a dryer saves. But it will save you lugging two tons of wet wash a year.

Service Notes

HELICOPTER COURSE

Sgt. Charles R. Kailey completed a 10-week helicopter repair course at the Army Transportation School, Fort Eustis, Va., in mid-December.

During the course, Sergeant Kailey received instruction in the repair of observation and transport aircraft.

The 34-year-old soldier, son of Mr. and Mrs. E.E. Kailey, 1090 Lovell Ave., Campbell, entered the Army in March 1945 and was last stationed at Fort Benning, Ga.

RETURNS TO HOME PORT

Carlos L. Angulo, aviation electrician's mate third class, USN, son of Jose T. Angulo of 437 McGliency Lane, Campbell, serving with Fighter Squadron 211 aboard the attack aircraft carrier USS Hancock has returned to home port in Alameda, Calif.

Hancock has been on a seven-month training cruise with the Seventh Fleet in the Western Pacific.

Squadron 211 flies F8A Crusader aircraft, the first carrier based jet operational plane to fly over 1,000 miles per hour.

IN MILITARY POLICE

Pvt. Jarvis C. Worden Jr., whose parents live at 1480 McBain Ave., Campbell, completed eight weeks of military police training under the Reserve Forces Act program at the U.S. Army Training Center, Fort Gordon, Ga., Dec. 20.

Worden received instruction in such subjects as military and civil law, traffic control, map reading and prisoner-of-war control.

The 21-year-old soldier entered the Army in August 1963 and completed basic training at Fort Ord, Calif.

He was graduated from Santa Clara High School in 1961 and attended San Jose City College.

REASSIGNED

Airman Jonas Cota, son of Mr. and Mrs. Guadalupe C. Cota of 93 Gilman Ave., Campbell, is being reassigned to Chanute AFB, Ill., for technical training as a United States Air Force aircraft maintenance specialist.

Airman Cota, who enlisted in the Air Force a short time ago, has completed his initial basic military training at Lockheed AFB, Texas.

The airman is a 1963 graduate of W.C. Overfelt High School, San Jose.

Marine Private First Class Umberto E. DeLeon, son of Mr. and Mrs. Santiago DeLeon of 1110 Virginia Avenue, Campbell, is serving aboard ships of the Seventh Fleet with the First Battalion, Ninth Marine Regiment, Third Marine Division.

The unit replaces the Third Battalion, Third Marines, as the ground element of the Special Landing Force of the U.S. Seventh Fleet's amphibious ready group.

His unit will engage in two months of landing exercises, demonstrations and routine training.

Auto registration renewals available at Wells Fargo

Vehicle registration renewal season for 1964 is now under way. In addition to service at Department of Motor Vehicle field offices and at auto club offices for members, vehicle owners in this area may submit their punched card application forms received by mail from DMV at Wells Fargo Bank 2nd Street and Campbell Avenue, Campbell, during banking hours between now and close of business on Tuesday, February 4.

Joaquin J. Payne, Assistant Vice President and Manager, of the bank, said that a DMV cashier is stationed there to serve motorists who wish to pay their 1964 fees for autos, trucks, trailers, or motorcycles.

Applicants are asked to be sure to bring with them the complete official statement card without detaching the stub. In a rapid transaction that can be accomplished in as little as 30 seconds, they will receive upon payment of fees a validated 1964 registration card, and the white sticker which goes on the upper left corner of the rear license plate.

Motorists who do not receive mailed statements, or who wish to transfer ownership or change registration classification, will need to go to a regular DMV field office for service. Any questions about the new provisions of the use tax law should also be taken to a department office.

Planners re-elect Smeed chairman

The seven man Campbell Planning Commission unanimously re-elected attorney William S. Smeed, 443 Manchester, as chairman at their meeting last Tuesday night. Thayer Lyons, 143 Carlyn Avenue, was appointed vice chairman. Matters considered by the Planners on their last meeting, January 7, included architectural approval granted to Stefan Niedziela for two 4-unit apartments to be located at 210 Rose Court. Calvin Wilson was granted approval of two 3-unit apartments at 239 Erie Way and H. L. Arthur was granted "S" approval of an office and warehouse to be located at 480 McGlincey Lane.

HEART ASSIGNMENTS --Three area chairmen learn from Mrs. George Wardy, right, Campbell city chairman for the 1964 Santa Clara County Heart Association campaign, their areas of responsibility for the annual February Heart Fund drive. They are, from left, Mrs. Charles R. Gerber, Mrs. James Casalegno and Mrs. George Arras.

1964 Phelan awards announced

$3000.00 in prizes, to be given to writers of the novel, drama, and nonfictional prose, was announced today by the Trustees of the James D. Phelan Awards in Literature and Art. One award of $1000.00 is offered in each of the three fields of literature, in the competition which opens January 1, 1964.

Awards are made available, annually, in literature and art (in alternating years) under the terms of a bequest of the late Senator James D. Phelan. Applicants must be native born Californians between the ages of 20 and 40, and they must make application on a special form which can be obtained from the Phelan Awards office.

This is the 29th Phelan Awards competition. In the 1962 competition in literature, awards of $1000.00 each were presented to George Price Jr. of San Francisco, in the short story division; to Daniel J. Moore of Berkeley in poetry; and to Edwin Fussell of Claremont, in the historical narrative division.

The competition closes March 13, 1964. Applications and complete information may be obtained from the Phelan Awards, 814 Grant Building, 1095 Market Street, San Francisco 3, California.

Exchange students to be guests of Woman's Club

TWENTY-FIVE YEARS --Eugene Sabo (right) of 577 Robin Lane, Campbell, receives leather-bound certificate and testimonial at ceremonies in Skokie, Illinois, (December 13) marking 25 years' service with International Minerals & Chemical Corporation. Sabo, plant superintendent at the company's San Jose Ac'cent plant, also received an engraved watch. Making presentation is Joseph Faems, assistant to the Vice President of the Amino Products Division.

Ten applicants for every teaching job in C.U.S.D.

In Campbell Union School District, the recruiting of teachers has been developed to such a height of excellence that ten qualified applicants come asking for every job. Letters go back and forth all year round, but vacation time, during Christmas, Easter and summer vacation, is the time for personal interviews.

There are many reasons for the large amount of applications for work in this district, but principally it is due to the considerate manner in which applicants are treated. Every letter seeking a job is answered within 24 hours. A committee of perhaps 20 to 25 teachers stays to help with hospitality for teacher applicants interviewed during Easter vacation. Each volunteer usually gives one half day during the week to answer questions from applicants and to visit with them. It's an effective gesture and the teachers really want to be helpful.

Teachers on leave overseas spread a good deal of enthusiasm for their home district. Neal Royer, assistant superintendent, calls it cheerfully "casting bread upon the waters."

The teachers abroad find their efforts back up by a recruiting brochure from CUSD that is mailed to placement offices overseas as well as all over the United States.

Another incentive is that the teacher is hired for a specific job, in a particular school and for a particular grade. The applicant has visited the school, seen the room and talked with the principal. He is hired as an individual, not as one of a pool of teachers who will be placed later.

Student teachers are also treated courteously, given access to all records, equipment, supplies and principals explain they have every right and responsibility of regular or "resident" teachers. This good relationship with the classroom teachers plays a major role in building enthusiasm for the district.

Boat show to be held Jan. 17-19

Information on latest laws governing boaters and boating plus demonstrations of boat safety equipment and methods will be offered by the U. S. Coast Guard, Auxiliary Flotilla No. 41 of San Jose, during the sixth annual Santa Clara Valley Boat, Sports & Travel Show, January 17-19 at the fairgrounds in San Jose.

New state laws, including one requiring licenses for commercial motorboat operators, become effective January 1. Also, the state will require all boats, whether being used or just "parked," to have numbers on the hull and the current registration stickers attached as required in automobiles.

Because of the interest in the new laws, the Coast Guard Auxiliary is arranging to have latest available information at its booth and will have members present to assist persons in licensing or registration problems.

The Auxiliary's stage presentation which proved popular with last year's record crowds will be repeated in the coming show. The brief skit on fitting a boat for safety, convenience and in compliance with laws, has been rewritten to include latest safety items and regulations.

LEGAL NOTICE

ORDINANCE NO. 443
BEING AN ORDINANCE OF CITY OF CAMPBELL AMENDING SECTION 8402 AND ADDING SECTION 8402.1, AND AMENDING SECTION 8403 OF CHAPTER 4 OF ARTICLE VIII OF THE CAMPBELL MUNICIPAL CODE ENTITLED "BUILDING REGULATIONS CREATING A SITE COMMITTEE" AND FIXING FEES FOR HOME MOVING PERMITS.

The City Council of City of Campbell does ordain as follows:

SECTION ONE: That Section 8402 of Chapter 4 of Article VIII of the Campbell Municipal Code be and the same is hereby amended to read as follows:

Section 8402. APPLICATION - FORM AND CONTENTS.

A person seeking issuance of a Permit hereunder shall file an application for such Permit with the City Clerk.

(1) Form. The application shall be made in writing upon forms provided by the City Clerk and shall be filed in sixtuplicate in the office of the City Clerk who shall transmit one (1) copy to the Building Inspector, one (1) copy to the Chief of Police, one (1) copy to the Fire Chief, one (1) copy to the Traffic Engineer, and one (1) copy to the Site Committee.

(2) Contents. The application shall set forth:
(a) A description of the proposed building to be moved, giving street number, construction materials, dimensions, number of rooms and condition of exterior and interior.
(b) A legal description of the lot from which the building is to be moved, giving the lot, block and tract number, if any.
(c) A legal description of the lot to which it is proposed such building be removed, if such new location is inside the City, giving lot, block and tract number, and the street name and house number, if any. If the new location of the building is to be outside the City, a general designation of the proposed location will be sufficient.
(d) The portion of the lot to be occupied by the building when moved, if such lot is inside the City.
(e) The highways, streets and alleys of the City over, along or across which the building is proposed to be moved.
(f) Proposed moving date and hours.
(g) Any additional information which the City Clerk shall find necessary to a fair determination of whether a Permit should issue.

SECTION TWO: That a new section designated as Section 8402.1 creating a "Site Committee" be and the same is hereby enacted to read as follows:

Section 8402.1. SITE COMMITTEE.

There is hereby created a Site Committee composed of the City Manager, the Building Official, and the Planning Director.

(1) The committee shall have the power to approve or disapprove, after hearing, applications for permits to move houses or other buildings from one location to another. In forming its decision it shall consider not only the conditions of the house or building proposed to be moved; architectural design, and the appropriateness of the location to which such house or building is to be moved.

(2) Upon the filing of the Application with the City Clerk as provided in Section 8402 of this Chapter, the committee shall fix a time and place for a public hearing on the application before said committee, which time shall be within ten (10) days from the filing of the application; at which hearing the committee will consider written reports to be filed with it by the Building Inspector, Chief of Police, Chief of the Fire Department, and Traffic Engineer, as well as the Site Committee's findings. At the public hearing any person interested may appear to support or protest the granting of the permit.

(3) The committee shall have authority to provide such conditions as are reasonable in addition to those prescribed in this Chapter before approving the issuance of a permit.

(4) The applicant and/or owner of the house or building proposed to be moved, as well as the owner or lessee of the land to which the house or building is proposed to be located, may appeal from the Order of the committee denying approval, to the City Council, and the said appeal shall be heard at the regular meeting of the Council next immediately following the date of the committee's Order.

SECTION THREE: That Section 8403 of Chapter 4, Article VIII, of the Campbell Municipal Code be amended to read as follows:

Section 8403. PERMIT FEES.

Any Permit issued under the Chapter shall be subject to the following conditions:

(1) Approval by Site Committee.

(2) Certificates. No permit shall be issued to move a building to a location inside the City unless there is first filed a Certificate of Inspection, signed by the Building Inspector, certifying that he examined the building and that it is structurally strong.

(3) Locations Outside City. No permit shall be issued to move a building through the City from a location either inside or outside the City to another location outside the City unless the proposed route to be followed within the City shall be approved by the Chief of Police and the Traffic Engineer.

(4) Location Within City From Outside. No permit shall be issued to move a building from a location either outside the City or inside the City to a location inside the City unless the building has been inspected and approved, and the route to be followed has been approved by the Chief of Police and the Traffic Engineer. Inspection fees shall be paid by the applicant in accordance with the requirements of City Ordinances regulating building, electrical, plumbing, and gas installations. The lot upon which such building is to be moved shall be posted as required for buildings to be moved within the City.

(5) Moving Equipment. No permit shall be issued unless the application therefor shall specify the type of moving equipment to be used, and the Traffic Engineer shall determine that such moving equipment is not of a type which will be detrimental to the street or other property of the City.

(6) Permit Fee. No permit shall be issued unless there is paid to the City Clerk at the time of filing the application for such permit, the applicable fee:
(a) Moving or relocation of a building to a site or destination within the City of Campbell - $100.00.
(b) Moving of a building located within the City of Campbell to a site or destination outside the City of Campbell - $25.00.

(7) Deposit. Before the issuance of a permit hereunder, the applicant shall deposit with the Building Inspector the minimum sum of Five Hundred Dollars ($500.00) plus a sum to be determined by the Building Inspector to be sufficient to pay the cost in rendering inspection services necessary to protect the interest of the City and in putting the original building site in a safe and sanitary condition.

(8) Moving Bond in Lieu of Deposit. In lieu of a cash deposit, the applicant may file in the office of the Building Inspector a faithful performance bond commonly designated as a "Moving Bond", guaranteeing completion of the moving work within the time specified in the permit, in an amount to be determined by the Building Inspector as provided in paragraph (8) of this section. Said bond shall also guarantee the repair or costs of repair for damaged curbs, gutters, sidewalks, driveways, pavement, signs, trees, poles and light and power facilities caused by said moving or the cost of moving a building from a public street or alley as specified in this division. Such bond shall also guarantee the costs of repair for damage done to private property by said moving.

(9) Insurance. No permit shall be issued unless the Permittee shall have first taken out and agreed to maintain at all times public liability insurance in an amount not less than One Hundred Thousand Dollars ($100,000.00) for injuries, including wrongful death, to any one (1) person, and in an amount not less than Two Hundred Thousand Dollars ($200,000.00) on account of one (1) accident, and unless also he shall take out and agree to maintain at all times property damage insurance in an amount of not less than Fifty Thousand Dollars ($50,000.00). A certificate of insurance shall be filed with the City Clerk prior to the issuance of such permit.

(10) Permit Time Limit. Unless otherwise specified in the permit, such permit shall be valid for a period of thirty (30) days from the date of issuance thereof. For good cause, the City Clerk within his discretion may issue a permit for a longer period, and may renew any permit issued by him, without additional fee therefor, except that no permit shall be valid or renewable for a period longer than one hundred and twenty (120) days from the date of issuance thereof.

(11) The permit shall designate the route of travel to be followed upon the public streets of the City, dates upon which the building may be moved in the City, and hours during which the building may be upon the public streets of the City, all as the same may be recommended by the Chief of Police and/or Engineer.

(12) The City Clerk may specify any conditions reasonably necessary for the public health, safety and general welfare of the City and its citizens.

Paralytic polio controled says state health director

Only 14 cases of paralytic polio were reported in California in 1963, a record low for the state, according to Dr. Malcolm H. Merrill, state health director. Only 1 of the cases was reported in Santa Clara County. Merrill attributed conquest of the crippling disease to the medical profession and the thousands of community volunteers who conducted K. O. Polio campaigns throughout the state.

Merrill, in reviewing last year's public health activities, said conclusive evidence linking cigarette smoking to lung cancer, heart disease and other chronic illnesses was contained in a report to the State Board of Public Health last July. As a result, Dr. Merrill continued, the board adopted a resolution urging initiation of a statewide campaign to control cigarette smoking as a severe hazard to health.

Other important public health developments during 1963 included the allocation of more than $500,000 in special state and federal funds for continuation of migratory farm workers health services program; the encouraging increase in the number of seat belts installed in California cars and the publication of a review of 250,000 cancer cases. The report showed that 40 per cent of cancer patients were diagnosed while the disease was still localized, which was responsible for an increase in the survival of cancer patients. Efforts to protect Californians from treatments and drugs considered to be of no value in the treatment or cure of cancer were strengthened when the State Board of Public Health banned the use of four such treatments and one diagnostic agent.

During the coming year, said Dr. Merrill, special emphasis will be given to environmental health problems, in particular agricultural chemicals and insecticides. The department will also intensify its efforts to blunt the sharply rising incidence of venereal disease.

Day care centers to benefit from CP fund drive

Annual campaign of the United Cerebral Palsy Association of Santa Clara County will be conducted in the early part of this New Year, and will culminate in a "43-minute march" by some 10,000 volunteers on Thursday, January 16.

The association here operates two day care centers, one in San Jose and the other in Mountain View, for cerebral palsied children, with trained physical therapists on duty.

Goal of the campaign is $50,000, of which 75 per cent remains in Santa Clara County for treatment and rehabilitation of local cerebral palsied children and adults.

WVJC urges State to clarify priority at SJSC

West Valley Junior College trustees last night asked for clarification on the lack of expected priority for Santa Clara County area applications regarding enrollment at San Jose State College.

Indicating that SJS has not yet received priority instructions from the Chancellor's office, WVJC Board members requested Albert Ruffo, State College Board member, of San Jose, to investigate the matter.

Two WVJC trustees, Bruce F. Allen, Board chairman, and Dr. Edwin Browne, Board clerk, protested last month to the State College Board that the enrollment ceiling put on San Jose State College by the state trustees would cause added and unfair tax burdens upon junior colleges in this area.

"Some 600 foreign students," commented Dr. Browne, "and some 2,000 students from, shall we say, 'foreign' districts--Los Angeles, Chico, Sonoma--are enrolled at San Jose State. Each one may be keeping out some local boy, and it just doesn't seem fair."

Board Chairman Allen told State Trustee Ruffo, "We hope something will be done about this matter so added problems will not be heaped upon us. We have enough already." Ruffo said he would talk to Chancellor Glenn Dumke next week.

Use tax to be charged on private auto transactions

A new duty assigned to the Department of Motor Vehicles by a 1963 legislative act is the collection of a California use tax on motor vehicles purchased outside of the state.

Department registration officials are alerting former nonresidents who have driven their cars in California for periods of up to a year with valid out-of-state plates that the use tax may be payable when they apply for California registration for 1964.

"The department collects the use tax as agent for the State Board of Equalization," Tom Bright, director of motor vehicles, said today in releasing an explanation of motorists' obligations under this law. "In effect since October 1, 1963, the new use tax provisions have a wider spread than was formerly the case. They now apply to private transactions in which an individual buys a motor vehicle from a seller not licensed by the State of California as a dealer or wrecker. But the law declares no tax is owed when the seller certifies that he has not sold any other vehicle at retail in the 12 months preceding the purchase."

Aliens must register in January

All aliens must register their addresses during the month of January with the Immigration and Naturalization Service. This announcement was made by C. W. Fullilove, district director of the Immigration Service.

Address reports must be filed by all non-citizens except those with diplomatic status, foreign representatives of certain international organizations, and those admitted temporarily as agricultural workers.

The reporting forms are available, beginning this week, at all post offices and at the offices of the Immigration and Naturalization Service. Failure to file the address report may be punishable by 30 days in prison, a fine of up to $200 or deportation. Fullilove said he expects more than 250,000 aliens in the Northern California area to register.

Youth cited for driving 100 mph

Larry G. Pique, 20, 3200 Cadillac Drive, was cited by Campbell Police Officer J. Bariteau on January 2 for driving at speeds of 100 miles an hour in a residential area and hitting a parked car.

Pique, according to Officer Bariteau's report, apparently increased his speed when he realized the officer was chasing him and turned into Llewellyn Avenue which is a dead end street. In an attempt to turn around Pique hit a parked car at 162 Llewellyn Avenue. The youth, a grocery clerk, was driving a borrowed 1964 Ford. He could give no explanation for his reckless driving.

Localites caught with stolen checks and narcotics

Two Campbell residents, James Edward Stout, 26, 741 Salerno Drive, and Mrs. Catherine Frances Culp, 22, were apprehended by San Jose police yesterday with a bag containing 38 payroll checks taken in a week-end burglary from B & W. Roofing & Materials Co. The bag also contained 26 cans of marijuana, a loaded gun and 20 vials of Amphetamine, a dangerous drug.

According to Chief of Detectives Barton Collins, each check was made out for 124.70.

New fire insurance rates on dwellings

New fire and extended coverage insurance premiums for dwellings in California have been announced by the Pacific Fire Rating Bureau effective for policies issued after January 1, 1964.

According to local agents the new rates will vary with the amount of insurance carried. Policies of low amounts will cost more for each $100 of insurance than those of higher amounts. In Campbell a policy covering a dwelling for $4000 and contents for $1000 will be more than double whereas a policy covering a dwelling for $40,000 and contents for $20,000 will cost about 30 per cent less than at present.

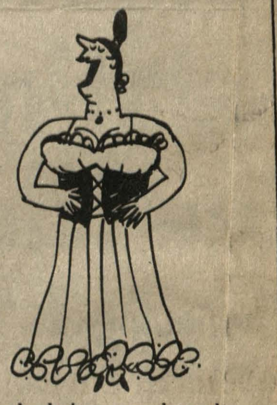
whatsdoing?

Eighty-seven years ago one of the world's first broadcasts took place — and it wasn't over a radio. It happened November 5, 1877, when three telephones were placed on the stage of the San Francisco Grand Opera House and wires were strung to five locations in the city. The opera "Mignon" was clearly heard over a phone at each point.

Although this "broadcast" covered only a few city blocks, it amounted to one of the first steps telephone people took toward network communications. Nowadays, phone lines help bring you broadcasts *and* telecasts from all over the world.



• • •

A modern home Interphone system lets you take and make calls from different spots in the house, talk room-to-room, and even answer the doorbell.

• • •

Whether it's true or not, here is a story that shows a lady's ingenious use of the phone in ordering snap beans from a grocer. "Could you bring one to the phone?" she asked. "I want to make sure they're fresh."

The grocer did.

"Now," she asked, "would you please break it?"

He did, and she clearly heard the resounding pop.

"Fine," said the lady, "send me three pounds."

(I'll bet you, too, have found unusual uses for your phone, in addition to the everyday ways it saves you time and trouble.)

• • •

Clock fast? Watch slow? Check our time-of-day service. The number is listed in the front pages of your phone book.

• • •

This phone was so charred in a fire its dial had melted, and the customer had to use her other phone to make calls, But the damaged phone worked so well in receiving calls, she used it for four months before calling in to have it replaced.

This shows the toughness and reliability built into all our telephone equipment. But I do want to mention that if your telephone should ever need any kind of repair, give us a call. Harley Esmond, or another of our repairmen, will fix it fast - - at no extra cost to you

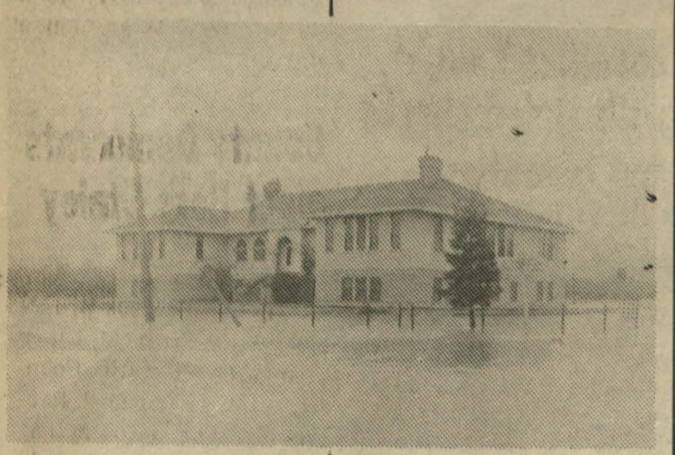
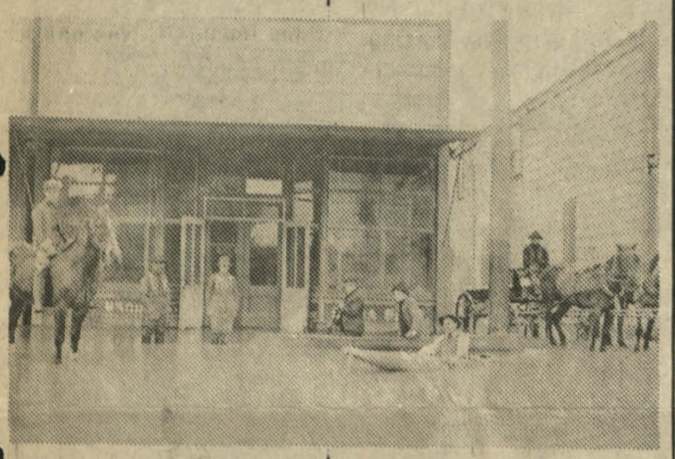
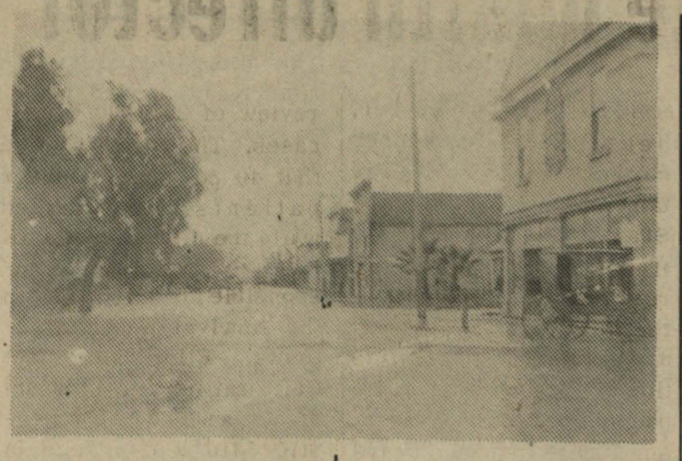
AINSLEY CANNERY--This was Ainsley's Cannery, later sold to Hunt's, which at its peek employed a great number of Santa Clara County residents. The cannery was located at the corner of Harrison St. and Campbell Avenue near the railroad tracks. It is now owned by American Auto Supply and used as a parking lot.



THE ORIGINAL CAMPBELL HIGH SCHOOL--In 1911 Campbell High School was situated at the corner of Campbell Avenue and Winchester Boulevard where President Teddy Roosevelt planted his now famous "Rosy Redwood Tree". All pictures courtesy of Pete Spragia.

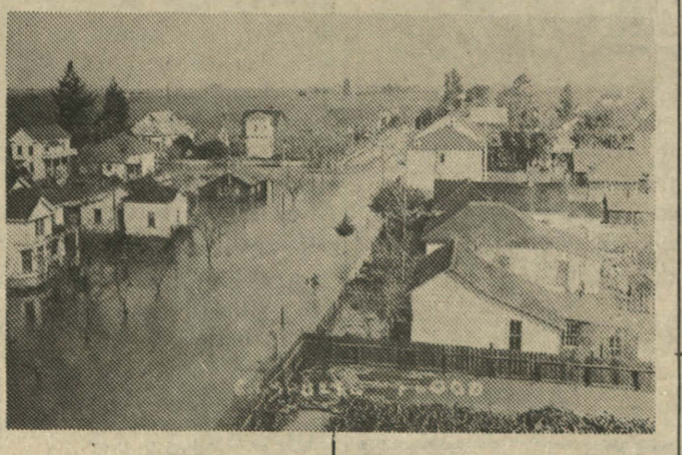


1911 FLOOD--Campbell residents are out in canoes on Campbell Avenue in the aftermath of the 1911 flood when the Page Dam broke. The whole community was covered with over 3 feet of water. This market is now occupied by Joseph Dahl's real estate and insurance office.



ODD FELLOWS HALL—In March, 1911, Campbell Avenue was under water following a flood. The Odd Fellows Hall is pictured here. The lower portion of the building is now occupied by Campbell Stationery.

REBUILT--This is the Page family home at 2350 Winchester Blvd. which has since been purchased and rebuilt for the priests of St. Lucy's Church.



SOUTH FIRST STREET—Campbell's South First Street is underwater during the 1911 flood. Many of these homes are still standing.

THE DAY TEDDY PLANTED A TREE--It was 1903 when President Teddy Roosevelt rode through downtown Campbell in a horse and carriage to dedicate the redwood tree at the corner of Winchester and Campbell Avenue. Through the courtesy of Mrs. Ralph Hyde the Campbell Press prints this old photograph taken by the late Ralph Hyde of the presidential party. The redwood tree is faced with the Engineer's axe as the result of plans to widen Winchester Boulevard to four lanes of moving traffic.

Trustees decide foreign language program too costly

The foreign language program mandated by the State Legislature to begin in September, 1965, is too costly, the Campbell Union School District Board of Trustees has decided. Trustees reviewed a report from a teacher committee on curriculum showing that the program would cost nearly $20.00 per pupil the first year it is initiated and annually thereafter.

Trustees reacted strongly to the committee's finding that the introduction of a foreign language program in one language only would cost the district an estimated $134,000 to $194,000 annually. This would mean the equivalant of a 15¢ to 20¢ tax increase. The board decided at its January 9th meeting that inasmuch as the State Legislature has currently provided no funds for this program, that the Board of Trustees delay the initiation of a foreign language program to the last possible date. They also agreed that the Legislators of this area be informed of this action and the reasons therefore and that other school districts be urged to take like action and that immediate effort be made to convince the Legislature that funds must be provided for mandated programs which increase the cost of operation.

WHISKEY STOLEN

A large amount of whiskey was stolen from Parker House Liquors, 478 E. Campbell Avenue, December 31, according to the Campbell Police Department.

First rehearsal of Community Orchestra set for January 21

The organizational rehearsal of the new West Valley Community orchestra will be held on Tuesday, January 21, in the instrumental room, music building, Blackford High School at 7:30 p.m.

The West Valley Community orchestra is being organized under the direction of Raynold Allvin, interested parties in the community and the auspices of Campbell Adult School.

Mr. Allvin studied with Gibson Walters, Sandor Salgo and Pierre Monteux and brings to the group experience in conducting and teaching in the instrumental music field. He is at present director of orchestra and choral music at Blackford High School.

The orchestra is open to all musicians having sufficient technical ability to profit from the experience and who will make a contribution to its musical accomplishments. There are openings in many sections, according to director Allvin.

Plans for a West Valley orchestra have resulted from interest of local musicians in participating in such a group, and because of general community interest in fine arts including instrumental music.

According to E.P. Stanley, Director of Adult Education, this opportunity for local residents will be the first of the kine in the West Valley. Concerts which will be scheduled for the general public will be announced soon.

For further information call Mr. Allvin, 252-0987.

"Sound of Music" opens at Curran January 27

"The Sound of Music" the musical hit by Rodgers and Hammerstein and Lindsay and Crouse, which stars Barbara Meister as Maria, and John Van Dreelen as Capt. Von Trapp, will play a 3-week engagement at the Curran Theatre commencing on Monday evening, January 27.

Produced by Henry Guettel, by special arrangement with Leland Hayward, Richard Halliday and Richard Rodgers and Oscar Hammerstein. "The Sound of Music" was directed by John Fearnley.

The book is based on the memoirs of Baroness Von Trapp, entitled "The Story of the Trapp Family Singers." In the words of Richard Rodgers, "The story is about two things: the important fact that men must decide, as Captain Von Trapp did, whether to submit to tyranny or stand up and fight it; and the discovery, as taught to young Maria, the postulant who found herself falling in love with the father of her seven motherless charges and fled back to her convent in terror, that the love of a man is no denial of the God but very much a part of it."

The curtain time for evening performances is 8:30 sharp. Matinees, on Wednesdays and Saturdays, are at 2:30 o'clock sharp. It is important that theater-goers arrive promptly, as no one will be seated during the first two scenes.

Cerebral Palsy 53-minute march opens this week

This week, some 9,000 persons throughout Santa Clara County are engaging in a "53-minute March," collecting funds for a very worthy cause--the United Cerebral Palsy Association.

The reason for the term "53-minute March" is that, in this country, every 53 minutes, a child is born with cerebral palsy, a disease resulting from brain damage, occurring most often during the development of the embryo or during the birth process.

Funds derived from the "53-minute March" are used locally and nationally to provide treatment, rehabilitation and continuing research into the causes and possible prevention of cerebral palsy.

Theme of the campaign this year, pointing up the local and national nature of the problem is "If they lived next door, would you help?"

Color film to be shown at Trinity Lutheran Church

Scheduled for showing at Trinity's annual Mission Dinner in the Parish Hall, 1500 Leigh Avenue, on January 19 is the new feature-length movie "A LETTER TO NANCY." The film will follow a baked Virginia Ham Dinner, prepared by Trinity Women's Guild and served by the Walther League at 5:30 p.m.

Catholic Social Service has new project

Members of Catholic Social Service Auxiliary have established "The Novelty Nook" in the St. Vincent De Paul Society store located at Third and Santa Clara Streets in San Jose.

The project, staffed by members of the auxiliary, will be open Monday through Saturday from 10 a.m. to 4 p.m. and will feature original gift and decorative items ranging from exquisite hand-made booties, antique china pieces, seasonal table decor, and specialty arrangements which can be made to order.

Proceeds will be used to assist Catholic Social Service, a United Fund Agency, which maintains offices in San Jose, Mountain View and Gilroy.

Confusion arisen regarding smog control devices

Some confusion has arisen among California motorists concerning the requirements of the new law on crankcase smog control devices for passenger cars.

As of January 1 of this year, the smog control device is required on used cars but only those for which ownership is transferred.

In other words, if you buy a used car from a dealer or a private party, the transfer of ownership cannot be completed unless the car is equipped with the smog control device.

Then, beginning January 1, 1965, the smog devices will be required on all used cars in order to register them.

If you own an automobile which does not have the smog device you do not have to install it now but you will next year in order to register the car in California.

Furthermore, the anti-smog device requirements apply only to 1950 and newer model used cars. Beginning with the 1961 model year, crankcase devices were installed voluntarily by American car manufacturers on all vehicles sold in California.

Two held for theft of stolen checks

Two San Jose men were apprehended by Campbell Police attempting to pass stolen checks at Fred's Liquors, 1707 So. Bascom Avenue on January 11. According to the investigating officer, Sgt. John Butler of the Campbell Police Department, Douglas Montgomery Greer, 830 Bird Ave., San Jose, and Robert H. Villarreal, also of San Jose, were in possession of completed checks reported stolen from the Los Gatos Plumbing and Heating Metal Works.

HAS GOOD YEAR

The First National Bank of San Jose for the fourteenth consecutive year records the highest year-end resources ever published by Santa Clara Valley's 90-year old bank. Total resources on December 31, 1963 were $139,219,000. Savings and time deposits recorded a growth of $5 million with demand deposits increasing nearly $3 million. The average daily total deposits in 1963 were 6 1/2% greater than 1962. Loans and discounts rose to almost $82 million.

A no-host cocktail party will be held prior to the banquet at 6 p.m. For reservations call 258-0371 or 248-4836.

PTA membership reaches new high

Campbell Union High School is extremely proud of having shattered the school's existing record of Parent-Teacher Association membership. P.T.A. membership for the present school year totals over 850.

This year's membership drive was promoted by hardworking membership chairmen, active board groups and interested faculty members. Their combined effort, stimulated by several P.T.A. functions, pushed membership to a new high. P.T.A. president is Mrs. Nell Wagner. Membership chairmen are Mrs. Leroy Nelson and Kenneth Denea.

City offers compromise to trailer dealer

On recommendation of City Planner Orville Overen, the Campbell Planning Commission granted approval of a variance requested by trailer dealer James H. Baker, 2105 Bascom Ave., to allow storage of house trailers on property zoned R-1 on condition that he sign a petition to form a Local Improvement District in the area. The variance will be granted if the petition is signed within 30 days.

Planner Overen stated that the development of this area bounded by Union, Apricot, Bascom and Campbell avenues has been a problem in the past as the City has been trying to develop a local improvement district to open up the center of this block for development. The property owned by Baker is zoned commercial but the property for which he requested a variance is the center core of the area proposed for a multiple density development. Petitions had been handed out, but no one signed and returned these petitions, he said.

Planner Homer Hyde remarked at the meeting, "This is a compromise the City can live with as well as the applicant." Thayer Lyons called it "a very workable solution as far as I'm concerned." Other stipulations included the street dedication to the plan line, payment of $348 in storm drain fees, fencing or landscaping to screen off the entire area, the use to be limited to storage of house trailers only, and the presentation of a street improvement plan. All of these conditions must be complied with within 30 days. Baker said he will appeal to the Campbell City Council.

State Commander invited to installation

California Department Commander Loyal A. Couch, Veterans of World War I has been invited to preside at the installation of officers of Barracks #3157 on Saturday January 25th., at 1:30 p.m. at the Winchester Barracks regular meeting place, American Legion building on Dell Ave., near E. Vowles; Judge Advocate H. Leland Spencer; Chaplain Robert E. Tucker; Sgt. at Arms Bennett Lancaster; Legislative Officer Alberto E. Merrill; Historian John D. Rathbone; Guard John P. Chamberlain; Trustee G. Milton Ogden, three years term.

The Executive Committee will hold its regular monthly meeting on Friday January 17th., in the Community Room of the First National Bank in Los Gatos at 1:30 P.M. All members are welcome to attend.

Norman Sparby promoted at Wells Fargo

Norman Sparby, 33, has been named assistant cashier at Wells Fargo Bank's Campbell office, replacing Kenneth E. Johnson, who was promoted to assistant manager of the bank's Lone Hill branch in San Jose.

Sparby, formerly assistant cashier at Wells Fargo's Third-Revere office in San Francisco, joined the bank in 1947 and was elected assistant cashier in 1958. He was tapped for a special Wells Fargo assignment with the Bank of American Samoa (Pago Pago) four years ago and since his return in 1961 has been assigned at various Peninsula branches and more recently at Third-Revere.

Sparby is a former junior chamber of commerce officer and has been active with the American Institute of Banking. He is married and has three children. The family resides in Sunnyvale at 1014 Katrine Court.

Bank of America purchases Campbell School bonds

A Bank of America N. T. & S.A. underwriting syndicate has purchased the $880,000 bond issue of the Campbell Union School District.

The Bank of America group paid a premium of $799 for a combination of 5%, 3 1/2% and 1/20th of 1% bonds. Net interest cost to the district was 3.42%. The bonds were reoffered to investors to yield from 2.25% to 3.55%, according to maturity Jan. 1, 1965-1988. The bonds maturing in 1989 were not reoffered.

The issue sold today was the fourth offering of 1960 School Bonds. Proceeds will be used for various school purposes. The district is located in the Santa Clara Valley, immediately southwest of San Jose. About 39% of assessed valuation is in annexes to the city of San Jose and about 23% is in Campbell. Estimated population of 55,000 compares with 46,000 in 1960 and 16,750 in 1950.

Bank of America and its associates finance an important part of the new school construction in California. The Bank and the underwriting syndicates it manages in the past 12 months bought more than $348 million of California municipal bonds.

Members of the Bank group which purchased the Campbell Union School District were: Dean Witter & Co.; Merrill Lynch, Pierce, Fenner & Smith, Incorporated; E.F. Hutton & Company, Inc.; Stone & Youngberg; Brooks, Clark, Behrens & Corn, Incorporated; C.N. White & Co.

New Books

AT THE CAMPBELL LIBRARY

FICTION

A FINGER IN EVERY PIE by Victoria Case

The battered wagons which have made the long journey across the plains and mountains to Oregon are rusting under the trees; the oxen are out at grass; the log cabins gleam fresh hewn in the new clearings. For the settlers in the green Willamette Valley, a new life is beginning. The stories of these settlers are told by tart but kindly Aunt Rossner. A delightful treat.

THE BLUE SAPPHIRE by Dorothy Stevenson

Engaged to marry the eminently proper and somewhat stodgy Morland Beverly, Julia Karburn's future seems clearly indicated by the diamond ring she wears. As she waits for Morland in Kensington Gardens, Stephen Brett appears. He has recently returned from South Africa with a beautiful blue sapphire which he knows is meant for Julia. The path to true love is not straight and true.

THE ROSE GROWER by Jean Stubbs

Meet Alexander Ariel, charming philanderer, wayward husband and father, professional rose grower. The rose garden is his good and gentle wife's scheme for supporting their country home and preserving a warm, hothouse domesticity. For Ariel, it is just another means to his own ends--he grows a rose for each fresh feminine conquest. This first novel offers extraordinary insight into the harm done by the masculine myth of bold promiscuity and romantic irresponsibility.

NON-FICTION

INSTANT HAUTE CUISINE by Esther Solomon

There is no reason that a gourmet meal need be difficult to prepare—or that you must be a professional chef to produce one. Esther Solomon has devised a method of producing the finest French haute cuisine in a fraction of the usual time. She has taken great gourmet recipes and translated them into the American idiom.

WHEN WOMEN LOOK AT MEN by John A. Kowvenhoven

This rich and thoroughly entertaining collection-moving, witty and outrageous by turns, reveal what American women have had to say about men. The book includes short stories, articles, poems and cartoons, and draws on novels, plays, biographies and autobiographies.

State Chamber of Commerce predicts prosperous year

Intentions of consumers, business firms and public agencies to buy and invest more heavily this year, a rising tide of building permits and construction awards, and an inevitable increase in population, all point to a prosperous 1964, according to a forecast released today by the Research and Economic Development Department of the California State Chamber of Commerce.

Employment, gross business volume and industrial activity will surpass those of 1963, the Chamber's staff analysts predicted. Personal income should exceed 1963's $52.5 billion by $3 billion. Retail sales should rise from $26.3 billion in 1963 to $28.2 billion in 1964.

While continuing population growth will bring employment problems, it will also spur the economy through increased consumer spending, said the State Chamber. By the end of this year, the population could exceed 18 1/2 million.

The state has gained in many ways besides population, ranking first in agriculture, natural resources, highways, scientific research, education, home building, and number of automobiles registered, according to the State Chamber. California should also rank first (surpassing New York) in personal income and employment by the end of 1964, the Chamber predicted.

Reading forum set for January 25

"Reading Improvement and Enrichment" is theme for the Fifth Annual Interprofessional Forum on Reading set for Saturday, January 25, at 9:00 a. m. at Foothill College, Los Altos.

Dr. Robert R. Jasmine of Campbell, member of the planning committee, revealed Dr. Goodloe Gilmer, chairman, announced three speakers will follow greetings from Dr. C. R. Timpany, Santa Clara County Superintendent of Schools.

They are Dr. William M. Sullivan, author and editor of teaching materials; Dr. Ralph Schrock, Cula Vista optometrist, and Dr. Dorothy Pettit of San Francisco State College, educator.

Joint sponsors for the annual affair are Santa Clara County Optometric Society, the Santa Clara Valley Psychological Association, Santa Clara County Schools, the Council for Exceptional Children and the Santa Clara School Psychologists Association.

Wells Fargo looks for record year

"Overall business activity in 1964 will move up at a rate close to that of 1963 and, since 1963 was a record year, 1964 will be another one."

So states Ransom M. Cook, president of Wells Fargo Bank, 11th largest bank in the nation.

Wells Fargo's own index of business activity shows a gain in 1963 of 5 per cent for the United States and almost 8 per cent for California.

In Northern California, the bank's primary service area, the gain over 1962 amounted to 8.5 per cent, with the San Francisco-Oakland and San Jose areas registering increases close to 10 per cent.

"We enter the new year with the momentum of our rapid rise in 1963, plus the prospects of an early cut in federal taxes," Cook said.

"California is a high income area, paying more than $11 billion a year in federal taxes, and should benefit more than proportionately from a tax reduction."

Christmas cards utilized overseas

Ever wonder what good use you could make of those beautiful Christmas cards you received?

Well, you can put them to very good use through an organization in San Francisco known as All-Year Christmas Cheer. They collect used Christmas cards and distribute them free to missionaries, hospitals, orphanages and schools overseas.

Cards must be of a religious nature, or of historic or scenic subject matter. Humorous cards are not acceptable. Donors are asked to send one cent for each card they send for costs of processing, packing and shipment overseas. Send your cards to: All-Year Christmas Cheer, 134 Pfeiffer St., Alcatraz Heights, San Francisco 33, California.

"We have distributed hundreds of thousands of cards throughout the world", stated Jack Early, San Francisco advertising man and founder of the organization. "They are in great need as they are utilized in Bible teachings and for educational and decorative purposes.

Campbell "B's" conquer Leigh

The Campbell High "B" Basketball team met and conquered their first league opponents, Leigh High School, on January 6, by a 48 to 36 score. The agressive Bucs outscored the Longhorns in every quarter and at some time literally out hustled Leigh off of the court.

High scorer for the Bucs was Bob Fancher with 15 points, Alan Dwillis keeping a close second. Other highlighters were Duane Peterson and Dave Maruyama, the Buc playmakers.

As usual on a Campbell win, this was a great team effort. Not only did those on the court help to set each other up for scores but the Campbell bench and the Buc rooters all seemed to urge the "B's" on to this victory.

Cub Scouts

The 309 Cub Pack Meeting was held Friday night, December 6.

Those receiving BOB CATS pins were: Tommy Newman, Mike Eppler, Chris Hillig, David Judd, Joey Levanthall, Allan Mulanas, Bob O'Brian, Tom Zieler.

Those receiving their WOLF pins were: Scott Carter, Richard Stater, Brent Ebner.

Those receiving GOLD ARROWS: Jimmy Mattison, Ronald Lind, Gilbert Rosenberg.

Those receiving SILVER ARROWS: Jimmy Stephenson, Ronnie Snud 2, Jeff Forbes.

Those receiving 1 year pins: David Taylor, Bruce Rutherford, Jeff Forbes, Brad Miller.

Those chosen DENNERS: Bruce Rutherford, Brad Miller, Eddie Harves.

Those chosen ASSISTANT DENNERS: Tom Zieler, Derk Mitvalsky.

Those receiving recruiters: Eddie Harves, Jimmy Harves.

The trip for the month was to the Edelweiss Dairy.

Bucaneers smear Longhorns, 69-51

Campbell High got off to a quick start in league competition by beating the Leigh Longhorns 69 to 51 on January 6. This game saw Campbell get off to a 17 to 8 1st quarter score against the team coached by John Erceg, once the coach of Campbell's "B" Basketball team. The Bucs overpowered Leigh and Campbell coach, Burt Robinson, put everyone into action.

Highlighters of this game were Bob Burton, Murry Hall, John Woodmanse, and Walt Hicks. Burton led the scoring with 20 and both Hall and Woodmanse got into double figures.

All candidates will be directed to take an entrance examination designed to demonstrate their ability to undertake college-level work. Time and place for the examination will be provided to all applicants who must reside in the 22nd Assembly Dist., Milias stated.

Letters to the Editor

Editor of the Campbell Press
Dear Sir,

We are the Bartons who live in Marysville and receive your paper every week. Mr. Barton is working here in San Jose for a while so we are here on the week days. I would like to express thanks through your paper for a kindness of the Wells Fargo Bank, in Campbell. It is for being able to purchase our license for 1964 in the bank. It does mean a great deal to a person to make one stop to bank and also get the license. I would like to also add that the lady from the Motor Vehicle office was so courteous that it was indeed a pleasure to meet her.

Television's Mayor Art to conduct children's show

Children of all ages have a big treat in store for them this month when Mayor Art, KRON television star, makes a personal appearance in Los Gatos on Saturday, January 25.

Mayor Art will conduct his own fun-filled brand of showtime and also serve as master of ceremonies for a Round-the-World festival of music, dancing and singing. Featured in this part of the program will be Scotch pipers and dancers from the famed LERA Bagpipers Band (Lockheed Employees Recreation Association); and a group of Mexican singers, dancers and musicians under the direction of Henrietta Guerrero, San Jose radio personality. Music of other lands is also scheduled for the show.

The production is being sponsored by Los Gatos-Saratoga Theater Arts Guild, a non-profit organization founded two years ago by parents interested in bringing fine live entertainment to children of the area at a nominal cost.

Two complete shows will be presented in the auditorium of Los Gatos High School. The first is from 12:30 to 1:45; the second from 3:00 to 4:15 p.m.

Because of the expected demand for seats, it is recommended that those interested in attending buy their tickets early. They may be purchased at Campbell Drug Store on Winchester Blvd; Los Gatos Music Center, or Saratoga Drug Store. They may also be reserved by phoning EL 4-7350 or EL 6-3390.

So They Say at Al's TV

...and demanded only the finest replacement for his car radio. Under these circumstances he drove to Al's and looked over the 1964 auto radios by proven names such as Channel Master and Motorola. It takes professional 'know how' to remove, replace and install car radios and Al's TV has had 13 years of proven experience to do it professionally. New Auto Antenna's may be needed and should such be necessary ... a fine stock of replacements are always on hand by Channel Master.

OUR TOWN

By Grace Hebard

New Associate - Al Armstrong, real estate broker, has joined the Tom Roberts Real Estate Agency, at 409 R East Campbell Avenue in Towne Square Mall.

. . . . . .

The Thomas Cowpers of West Cliff Drive in Santa Cruz were guests of Mr. and Mrs. Francis Cutting of Harrison Avenue this week.

. . . . . .

Moving to Alaska... Mr. and Mrs. Glenn L. Rupp of 1650 Calado Court will make their home in Kodiak, Alaska, for at least the next two years. Rupp has been transfered to Lockheed's tracking station there. They have two youngsters, David and Lisa.

. . . . . .

The George A. Landers Jr. of 141 Coventry Drive were hosts at their annual "open house" on Christmas day attended by a large group of friends and neighbors during the early afternoon and evening hours. Egg nog served from a beautiful punch bowl was the "piece de resistance".

. . . . . .

Friends of the Barton Woods, former Campbell residents, will be interested to learn of the marriage of their daughter, Kristin, to John Wilson of the U.S. Navy on Dec. 21st in the Jackson Methodist Church in Amador City, California.

. . . . . .

The Roosevelt Redwood at Winchester and Campbell Avenue... shall it stand or fall? This is the question to be argued by the members of Del Mar High School's debating society this week.

. . . . . .

Mr. and Mrs. Floyd Arnold of 771 Monica Lane have their daughter, Mrs. Raymond Erk, and little granddaughter, Lisa Marie, visiting this month from Battle Creek, Michigan. The Arnolds operate the Shell Station on Hamilton Avenue and Highway 17.

. . . . . .

Mrs. Marian Lee, wife of Planning Commissioner Harry Lee, has left her household chores to become nursing supervisor of Foothill Convalescent Hospital.

. . . . . .

Mrs. Thomas A. (Joan) Barton will be the Campbell community chairman for the traditional Mothers' March for funds to support the National Foundation-March of Dimes. Mrs. Barton, a personable young woman who came to Campbell when her husband was transferred from Sacramento to the local Breuner's store, keeps busy with civic affairs. She is active in Service League and is the mother of two youngsters, Lynn, 4, and Bret, 6.

. . . . . .

Lt. and Mrs. Bradley N. Keyes and small son, Brent, have been the house guests of Mr. and Mrs. Bill Mertsching of Sunberry Avenue. Lt. Keyes is in the Submarine Service and is en route to Virginia.

POLICIES MISSING

Katsumi Tokunaga, 860 Monica Lane, reported to Campbell Police that two metal safety deposit boxes containing insurance policies were stolen from his automobile parked in his garage December 27. Tokunaga, an insurance underwriter, told Campbell Police that articles were also taken from the glove compartment of his car. The thefts were first discovered when his daughter noticed the light was on in the car and the door left open.
